“ Cissie and I were very sad to hear via Sheen, that Gordon had passed away. Although we haven't been in touch for a number of years, we still recall Gordon and the many times he came to stay with his Auntie Cissie (who was his very favourite). Gordon was always given the custard pot to scrape - and of course, more was left in the bottom - much to our envy! I have attached a photo which seems to be the only one we can find. It is Gordon with Cissie, we think taken at Offchurch Road. I still have a small milk jug that Gordon gave to Bryan and I for our wedding in 1956. Although these are sad times, we are taking time to remember the happy. With best wishes to the family. Heather
