“ Johnny and Kevin, it was such a pleasure and joy to meet your dad so many years ago. We always had a great time when John and Shirley would visit us in Florida he was such a nut making the trip down. He always arrived earlier than expected because he just had to get here! A favorite memory of mine is the trip we took to key west and then to Alligator Alley. He was quite surprised when we stopped to take an airboat ride He smiled like a kid! It was on the same trip that John and steve started to gather live sand dollars at Sanibel island. He was great at Farkel He and Shirley would beat the pants off of us,
We will miss you JOHN. May you Rest In Peace free from pain and with Shirley.
We love you! Love Steve and Libby.
