Jone Annette Warner, 61, a resident of Webb City, Missouri, passed away at her home on Monday, May 20, 2024. Jone was born on October 19, 1962, in Loveland, Colorado, to John Martin Warner and Vera Lea (Seamount) Clay. She graduated from Grand Junction High School in Colorado. When she was not working you would see Jone working on crafts, playing board games, crossword puzzles, and doing carpentry. Most of all she loved being a mother to her son and was very excited to be a first-time grandmother later this year. Those left to share the beautiful memory of Jone include her mother, Vera Lea Clay, son, Wesley Palmer, sisters, June McCrackin and Laura Downey, along with many other friends and family.

Joans wishes were to be cremated. Cremation services have been placed in the care of Brown-Winters Funeral Home and Cremation Service in Miami, Oklahoma.

“ I have known Jone for 51 years. Her sister June and I were best friends in elementary school. Her brother Johnny was my kid brothers great friend. The news of her passing so suddenly has shocked us. No mother should outlive a child let alone two. Vera you are in my thoughts as you navigate through yet another heartache that there is no cure for. June I hug you tight in my heart. May you all find peace in the knowledge that she is again joined with Johnny and those you all love who are on the other side of the veil.

I help take care of her son Wesley. He is so distraught and has asked me to help see if he can get some of her ashes, he still has her cat but that's all he has to remember her by. Please email me at [cam.hollomancare@gmail.com](mailto:cam.hollomancare@gmail.com) if you can help me contact his family. It would mean the world to him. His grandma Vera is who I need but, anyone would be better than nothing. God bless you
