“ My beautiful sonshine you will forever be in my heart. I knew you from the moment I found out I was expecting and from that very second YOU became my world. I am so grateful for the 27 years of memories you gave me. You blessed my heart and soul just by being my son. You always had a smile for mom and love in your eyes. I promise to tell Cambria every day how much you love her and that you are watching over her. In her you will live on. Son, you were always such a happy and bright shining star in everyone's life you touched and believe me there are many, many people out there who love you. I know you are at peace and happy now baby. Momma misses you! Fly high my sonshine!!

“ There are way too many memories for me to list here. Ever since I could remember you were always the person I spent time with. Growing up from birth we did everything imaginable together; from riding scooter in my dads shop, shooting guns, playing video games, riding four wheelers, to going on trips to white water, worlds of fun and many other trips. My childhood was filled with a lot of time with you. You always had my back, no matter how stupid I was. You were more than just a friend, you were like a brother to me. I will miss you forever and I hope to help have a positive impact on Cambria as she grows up; I hope to tell her stories of how fun, caring and loving you were. I love and miss you brother.

“ *Son we know you hurt no more and we happy to know you are at peace finally. You've made everyone around you happy and have left behind so many good memories. Thank you for sending all the love that you have into the world because now we are receiving it 10 fold.*

Son you had a heart of gold made out of marshmallows and we know you wanted to save everyone. We will miss your laughter, we will miss your goofy smiles , we will miss watching you sleep but most of all your smile and your hugs. We love you to the moon and back and beyond the stars. I will never for get the last time you stood waiting on the last hug you gave me. I know now you were saying good bye untill me meet again . I'll give Cambria a hug from Daddy Everytime I see her and we will go out side ,look to the sky and wave to tell you hi and we live you. Our sweet precious young man may you rest in peace . My God comfort us and show us how to help others with your story. Gods speed our son . WE LOVE YOU !!!
