“ Jody was my grandpa. Technically, a step grandpa, but there was nothing “step” about him. He was at every graduation I had. I was always at their house growing up, and feel so fortunate I got to live so close to him and Mimi. I have so many great memories of him, and am so happy I had the privilege to know him. ❤️ You are so missed!

“ Jody honestly didn't treat me like a stepdaughter or any of his step grandchildren like “step grandchildren”. He treated us all so well. Everyone loved him so much. What a great legacy he left and such a good example to follow. You are already so missed.
