“ I just wanted to say that I am so sorry for your loss. I lost my dad 10 years ago and sister about 3 years ago. Megan was 18. I saw that Joshua was the same age as myself. Recently I've been trying to get a bereavement group going at the Integris Baptist Regional Hospital. I know this is very soon, but if/when you're ready we'd really like for you to come. We all benefit from having someone to listen, someone who has experienced the death of a loved one. The group meets the 1st and 3rd Wednesday of every month in the Chapel of the hospital. Please email me if you are interested, have any questions or need anything at all. May your memories comfort you.##imported-begin##Jessica Sayles##imported-end##

“ Dear Terri and Family,
We all know that no words can touch the heart in pain at this hard time, so with that said, I just want you to know how my heart aches along with yours, and I pray that God shows you the reason as time goes by why needed he Joshua more than he was needed on earth at this time. Thinking of you and praying for healing with lots of love.
