“ *Our deepest sympathy to the Bender family.
Our families shared a lot of laughter and great times growing up. First, all we had to do was walk across street to hear Judy's big laugh. I remember us kids sitting on the wall of your front yard talking the night way, until Bill and Judy or Frank and Stella walked back home and called us in.
You sold the house, moved away, and when you moved back, the family friendship picked right up again.*

*Our best years, the late 70'. It seemed like you had a back yard pool party every other weekend, with horse shoes flying, BBQ, and a little beer.
We all laughed a lot back in the day. And Judy was a very big part of those days, and I remember them well.*

Remembering the all the laughter and love, shared between the Jaime and the Bender families.

With all our Love and Deepest Sympathies.

The Jaime family

*Sincerely
Robert*
