*Aunt Judy... The Lord gained an Angel when he brought you home... It has been many years... too many... but the impression and impact you made on my life was profound... In my lifetime, I have never met another Soul as genuinely kind, nor a heart as good and pure as yours. You are a light in this world and I know you will shine even brighter in heaven. Please give my Daddy a hug and a kiss and I hope to see you someday. Scott, I am so sorry for your loss and my love and thoughts go out to you and your family. I love you, Aunt Judy.

I miss Judy! She has been one of my very best friends since during our school days and all our adult years. We shared so many memories! I loved her positive outlook on life and her bubbly personality. Heaven got a beautiful angel on March 24th! Scott & Karisha -- call me if you all need anything! Love you all!

“ I will miss Judy. :(I met Judy 2 years ago after I had sold my house and was looking for an apt. and she had one empty. From the first day on, we had a lot of conversations and laughs about old times and life in general. I grew up in Picher and we both knew a lot of people from there. What a lovely lady she was! <3
