“ I have so many fond memories! Hanging out with you was one of my favorites things, Judy!
Growing up I loved playing at your house...some of the things I treasure always will be our paperdolls and the cool Barbies and Barbie's Dream house, Heyworth Hey Daysbut especially playing Atari "Pong" and "Frogger" for the first time at your house! We would play for hours and hours! What awesome fun we had! I am lucky to have those and many more special memories and moments with you! I will miss you more than words can say but you are always in my heart! Sending lots of prayers and hugs to all of you! Love you!

“ I'm so sorry to hear this! I had the pleasure of working with Judy when she was treasurer for the Village of Heyworth. As Chief of Police of that community, I was always hounding her for more money!😂 She was so much fun to work with and will be missed by many!🙏

“ Soooo many memories!! Yes you are my cousin, but more like a bonus sister! Growing up together all of us hanging out, causing trouble lol. Sitting in grandma and grandpas garage having his garage sale and we were all there for the steak and shake!! Hanging out at your house making ceramics, driving your mom n dad crazy!! I'll sure miss your orneriness and I'll miss you so much girl!! We will never understand why you were taken so soon, but I trust in God and know that you are with him celebrating in heaven

“ How can I share just one or two memories when we have so many? Stefanie, Beth and I grew up with Sara and Judy and their house was our 2nd home. Although we all moved in different directions as we got older, when we all got back together it was like time hadn't moved at all. I guess I will share one memory that I think of often and laugh. Byron and I were at Meijer when we saw Judy and Aunt Bette Ann in the parking lot. Bette Ann was in her scooter and Judy was pushing the cart. When Judy stopped the cart at the back of the car and walked over to open Bette Anns door, Byron ran up, grabbed the cart and took off running with it. Judy turned around and started chasing him yelling at him, not knowing it was Byron. We all laughed and laughed so hard I thought we were all going to wet ourselves. Judy you were one of a kind. A great sense of humor, a force to be reckoned with and a heart of gold all wrapped up in one. We will miss you and cherish all of the good times we had.

“ My sincere condolences Stuart, Tyler, Kyle & Autumn and Allie. I remember your wedding Stuart to Judy.

I worked with her Mom Bette, and knew Judy from HS on. She was just like her parents, always making jokes and making others laugh. She will be truly missed. May Jesus hold you in His arms during this difficult time. Uplifting you in prayers.

Stuart and kids, though it's been a long time since, I've never forgot how much you all meant to me. Chloe and Tyler are Facebook friends and she told me about what happened. I'm so very sorry in losing such a great person. I always loved getting together with you and so enjoyed any time I had with Judy. What a heartbreaking shock for ypu all . Stuart you must feel just lost. Know that myself and the kids are thinking of ypu at this very difficult time. She was a jewel.
