“ June is one of the sweetest women I ever had the pleasure of knowing. I never saw her without her beautiful smile that lit up a room and always made me feel good. I was so shocked when I heard she had passed to the other side. I pray the LORD will bless and comfort her family. I look forward to seeing her again when Jesus takes me home.

“ I could talk all day and not be finished. She is the wife of my oldest brother but much more. She was and still is a sister to all of us. She always stood up for me when I was a kid. The most memorable thing I remember is how she saw my struggle when my daddy passed. I was 13 and she was there. So much went on at that time but that is the only thing that comes to mind about it all. She was there for me. I love you sis. My heart is breaking for her children, grandchildren, and great grandchildren.
