“ I want to send my sincere sympathy to the family. He will be missed by many. He was so strong to have held on for so long. And so grateful to have his loving mama n brother by his side. I remember him spending a lot of his grade school years at my house with my son kody brown . they were best buds. Recently kody was able to make it back to Oklahoma and got to visit kaleb they had a great time together and his sons got to meet him. I know it was hard on him and hard for everyone to loose such a warrior. Rest in peace buddy I will always remember that cute smile and your chubby cheeks and great sense of humor. Memories that we hold in our hearts forever. Gone but never forgotten.
