“ My heart is broken, as yours are: the tears come when I try to talk. Although I know he is in God’s loving hands, the hole in your hearts is unbearable! It is beyond sad and saying ‘so sorry’ is so inadequate. Just know we are grieving with you and praying for His strength to help you through this.

“Baby boy I wish I had taken the opportunity to bring you with me more. I loved you infectious happy attitude. Jumping, laughing, and running all the time. Only slowing down when you were sick. Recently we were all together at your grandmas and you were eating a popsicle leaning against me it was cold and sticky....your momma and daddy told you to not lean on my....I let them know you were perfectly fine we were talking and loving on one another. I would give anything to wear another popsicle again, one more hug, and one more dinosaur “roar”. We love you so much I know you aren’t slowing down beautiful boy. Aunt Sammy and Uncle Aaron miss you so much already.
