“ Karen was my neighbor down the street. We played softball together, when I was very young. Karen’s Dad, Bill recruited me at the age of nine to play on the Women’s League. My brother, Danny was also close friends with Karen. York Street and G Street had some Awesome Neighbors and Life Long Friends!!! Rest in Sweet Peace, Old Friend!!!

“ Served with Karen in Korea - played softball together there and had lots of fun playing cards and other things. She was a great soldier and wonderful person. I’m sorry we did not keep in touch after we retired. I was looking for Army friends who I served with and was saddened to find out she had passed. Slow Salute my friend. Rest In Peace. “ Karen and I went to school together but became close friends playing softball. As time passed and miles separated us, we drifted apart, but I will always remember her humor and kindness. My condolences are with her family and friends. Linda Lacy

*“ I have had the pleasure of meeting Karen from work many years ago and also turns out our neighbor. We became quick friends! She was the sweetest most caring person, always asking how my family was doing and she was always thinking of my Son while he was in Afghanistan fighting for our Country. I will miss her dearly as so many of her friends will.*

“Karen was my best neighborhood friend and confidant. I have lots of fond memories. Riding bikes to the big pool, building snowmen playing baseball and other sports. We were special friends.
