“ There are no words that can express how much Karey will be missed, she was a light when needed, a friend who cared, a mother and wife who loved with her whole heart and soul. Her family ment everything to her along with everyone she knew. So when you see a light in the sky's I know it will be her looking over all she knew and loved.

“ *Karey took my family in when we were in a time of need. She will be remembered especially by my brother and I for her huge heart! She was able to make (as someone else put) lemonade out of any bad lemon given her. I hope in my lifetime as I get delivered bad luck I will remember her and handle it the same way she had.*

“ Karey was a colleague of mine at Freeman Health System. She always managed to find the funny side of any situation, and I always loved running into her in the hallway for a catch up even after I moved to working in a different department. I will miss her and her sense of humor very much. Condolences to her family.
