“ Heather,

You were my very first friend in life that I have a full memory of. We were friends before kindergarten and for many years to follow. I have many fond memories of us. We laughed, danced, did our hair, or had my mom do our hair, played dress up, sang many many songs, talked on the phone, went skating and swimming, and did all the fun and normal things little girls do. Though we did not see each other much after Jr. High, and we only kept in touch here and there; just know that I will always carry you in my heart and with the fondest of memories. You are always in my heart.

I love you always!

Your friend,

Nickie Cawood (Marshall)
