“ One day at Will Rogers Junior High someone told me that I had been named “most witty” in the yearbook. I asked what “witty” meant. I had no idea. Kathy Younger was the female “most witty” and we had our picture taken together in front of the school that was in the yearbook. She was a real sweetie. She was one of those people who was loved by everyone who met her. Russ (Rusty) Martin

“ I am so sorry Holt family. My thoughts are with you and I am shedding tears with you. Kathy and I were cousins and she was the closest I had to a sister growing up. So many memories of spending the night at Grandma Thelma's and the Chambers with KATHY and Debbie and staying up late to tell ghost stories. We had so much fun! I am sad we grew apart as adults and lost touch - probably my fault. I loved her and hope I don't lose touch with you guys. Family becomes more and more important the older I get. Much love to you and sorry I wasn't able to be there. Juli Hadfield

“ My deepest sympathy goes out to the Holt family. Your pictures show what a wonderful and loving family you have. I did not realize that Nancy Younger was Kathryn's mother until reading the obituary. Nancy and I were best friends in junior high and I spent many nights and days at her home. I think of her often and want her and the rest of the family to know that they all are in my thoughts and prayers. I am so sorry I missed the opportunity to know Kathryn.
