“ This is so hard to write because there are no words to express how much I loved my sister. She means the world to me . I am blessed that I got to share the precious last three weeks of her life with here. Reliving our past adventures, both good and bad, and laughing and enjoying our present in a way only sisters can. I rejoice knowing she is in heaven and With Jesus. I miss her so much and love her with all my heart.

“ Kathy was an amazing lady ❤️. I worked with her at Osborne Care and Rehab while working housekeeping/laundry and she pushed me to achieve my CNA license. Her smile, laugh and humor were an amazing gift and made everyone around her feel loved. She will be truly missed and my thoughts and prayers are with her family 🙏❤️

Her unending devotion to her husband, children, and great-grandchildren was beautiful to witness, and she was always so incredibly proud to be called Nana. Family was her entire world. “ Nana was one of the most selfless people I’ve ever met. She would never say no if you asked for help even though a lot of the time she was the one who needed help. As a mother, grandmother and a great grandmother she held a love in her heart that is hard to quantify. We’re gonna miss you nana. Thank you for all you have done for us.

“She is clothed with strength and dignity; she can laugh at the days to come... Her children arise and call her blessed.” — Proverbs 31:25–28
