“ I worked with Kem at the old Grove Hospital for years. I could always trust in Kem and her nursing knowledge. I always had much respect for her, even when things always had to be done HER way. 😊. She constantly talked about her kids. She will be greatly missed.

Kem and I worked at integris Grove together for several years. We didn't always see eye to eye as we both had dominant traits to us but she was an amazing nurse and friend. She will be missed. Rip my friend 💔

I worked with Kem for many years. She was a great nurse & a great person. She always talked about her kids and loved her grandbabies. I would tell her she was my favorite and I meant it. So sad she's gone.
