“ For 3 years Kato has been my neighbor and what a neighbor he was. From watching out for the safety of my family, to his points and hollars as we drove by. Kato made a point to make sure to check on us, if I hadn't already filled him in. My kids will miss walking over and seeing him. I have enjoyed his harrassment and delighted in his joy for life. I'm sure his squirrels will have to find someone else to feed them, and well that gator he keeps is going to have to find a new set of kids to scare. There was never a dull moment around Kato, he always had an onrey story to share. The view across the street will be empty as will a place in our hearts. We loved and will miss you neighbor....Brian, Paula, Jordan, Michael and Hannah.

“ I sit here think how am I going to go on with out you not only were you my Dad but my best friend too. Our fishing trips to the lake the last few years have been some the best times of my life. For 55 years now I have always been able to count on you for a smile when I needed 1 or a kick in the butt when I need 1 of them too. I hope I made you as proud of as I am of you, You were 1 in a million...

I know by keeping you close to my heart I never have to be alone.. and give Sis a hug for me

I Love You Dad ... You can rest in Peace now
