“ Kenny is my second cousin, and known as Little Kenny to the family. I remember him as a little red-headed toddler running around the yard at his Grandma and Grandpa's house (known to me as "Annie & Red's", which is where I saw him and all the other cousins while visiting.) We had a great, large family and I know he will be missed by all. RIP Little Kenny!

*“ We were all very close as children, and were neighbors for a long time. I remember playing Hot Wheels with the kids all summer long. Those were fun days. I am truly sorry for his passing. It feels devastating, but I hope his suffering has ended.
