“ *So many memories of Ken since '98 when he took me under his wing and taught me so much about Helio Couriers. He became an incredible friend and mentor who will always be known as “Uncle Kenny”.*

“ *I first met Kenny 57 years ago in 1969, working at Pizza Hut together and then managing his Pizza Villa location in Broken Arrow for a few years. Over all this time we've been constant friends (more like family) ever since. Too many stories to share here, but we've had some doozies. His passing leaves a huge void in my heart, but thankful that he is now with his mom and dad and loved ones in Heaven. Thank you for being such a great blessing in my life, brother.*

“ Having been a friend of Kenny for 40 years, there are too many memories to write about. We spent his birthday, Thanksgiving and Christmas together. He loved our last two holiday events for the food I prepared for us. He knew he would get to take a week’s worth of groceries home with him. He would call me every day at around 11am to say ‘thank you, thank you, thank you!’ until all the food was gone. These events will never be the same in this household. He will be missed by so many friends and family members.

... Hi Billy. Kenny always spoke so highly of you, sharing all the funny stories you two had together. I was worried that I couldn't reach you to tell you of his passing. Glad to see you here. ~Mark
