“ I have known the Boyd's since I was 3 years old in Germany. My parents were stationed with them and became lifelong friends. I called Ruth, Ruudle for some reason I can't recall. Our families enjoyed camping and the men fishing and falling asleep in their chairs after a smorgasbord feast from the moms. I miss going to see them like we did when I was a teenager. Ruthie always let me have one of her jars of homemade pickles. They were the best in the WORLD! TT was my adopted big sister and I admire her so much. Tim was a sports/military hero. Lisa I admire and miss as we were closest in age and she always let me hang with her when we were high school age. And Jeffrey Allen(sp?) Boyd, well what can I say about Larry's Mini-Me? He taught me to never pick up a possum playing possum. I'm sorry this is late. I just found out today about Larry and Ruth's passing.

“ Ruthie, Lisa, Jeff, Teresa, Tim and families, I am so sorry for your loss. Larry was such a fun-loving, encouraging, compassionate man, one that will never be forgotten. I will never forget his warm smile, kind eyes, and laughter that made everyone that was around him feel loved. Growing up just down the street from you was one of the biggest blessings of my life. You all did and always will hold a very special place in my heart. Please know I will be praying for you as I know this will leave a huge void in your hearts. Praying that God fill that void with precious memories, love, and peace. ❤️
Much love,

“ *Uncle Larry you will be missed more than you would have ever realized. Your generosity to the church and community is just a small part of you. You helped with your hands, money but mainly your heart. When I was younger I know I didn't always understand the big hugs and the cutting up we all did. As I have grown it was your way of keeping us close to you and your caring heart. I respect and honor your service to our country but most of all your dedication to family. Thanks for being there for me and the rest of the family. I will miss you but I will see you and dad again some day. Hugs to you on the best journey you are starting now. Love you, Rayla.*

Ruth, Teresa, Tim, Lisa, Jeff and all your special families. So sorry for your loss, he will be truly missed. I have so many happy memories we have shared in the family. We raised our kids together and shared many holidays together. Also shared the same date as our anniversary, only 2 years apart, going to Joplin and Larry and Ron got those big steaks! We have shared a lot over the years! You all have been in my thoughts and prayers 🙏! You have a great family and friends to be there for you! All my thoughts, prayers and love to all. He was a great guy! Much love, Kay Vincent ❤️
