“ Larry was always in such a positive, good mood. He was always joking around with all of us at Walgreens. We will definitely miss having him come in and talk to all of us. Sending love to the family.

I have so many memories of my cousin, Larry! One in particular was when growing up, mind you we were the same size excluding height. Our Mamo, Grace Garrotte would sew dresses for me and Larry would try the dresses on to make sure they fit me. Oh, I was and still am very short. My mom, Dixie Gilmore would have to hem them for me. So many more memories! I will miss you and the amazing phone calls we had! Love you, cousin!!
