“ Momma  
I miss you so much, still very hard to believe that you are not here anymore. So much has changed in my life since you left, I just hope you are proud of me for getting back out there. I'm happier than I have been in a very long time, just wish you were here to see it and so I could share it all with you. Really wouldn't mind getting a hug from you and a kiss on my cheek. Please stay close by my side and let me know that you're still around. Until we meet again I love you and will always miss you.
