“ I loved Lena and worked with her all those years at Afton. She was so fun and she loved the Lord and her family. She would set me straight when I needed it. I was so impressed with the stories of her kids visiting and how they would play games, laugh and joke into late hours. Well done, thy good and faithful servant.

“ So many precious memories. Thanksgiving at my mom and dad's, playing cards all night, John and Lena staying with Eugene, Debbie, and I having walnut fights, going fishing in the pond and jumping in, watching her kids become amazing young men and women, her laughter, her stories. I could go on and on. I was around 11 years old when she came into my life. She made a everlasting impact on my life in so many amazing ways. She had the greatest love for her family of anybody I have ever known and her family have the greatest love for her. She was truly a godly woman with so much compassion. I will always treasure my precious memories of Lena. I know she is sitting with Jesus and loving every minute. My love ❤️ and prayers 🙏 go out to ALL her family. May God wrap HIS loving, peaceful arms around each of you and give you the comfort you need. Stay calm and trust GOD knowing she is in heaven waiting for us all.

“I loved being around Lena, working with her at the clinic! I've said many times that I would eat anything Lena cooked and I did... Even beef liver and sour kraut! I'm so sorry she was sick and so thankful that she's not sick any more cause there's no sickness in Heaven! Until we meet again!
