“ The Gibson family is in my thoughts and prayers. Levi and I graduated HS together and we had connected a couple of years ago to make a logo for his farm and forestry. He was such a hard worker and he was trying to give back to Veterans by supply them with jobs, but I know some health issues had gotten in the way. That right there tells you what kind of man Levi was. May he rest in peace!

“ I have so many memories I could fill so many pages with of Levi. All the times he spent with my John John. The birthday parties, the vacations, just spending weekends, everything in between.
