“ Dale,

All our sympathies from Sharon and I, we just heard about Lila's passing. I have so many fond memories of our dinners and get-togethers. Dale when you feel up to it, please give me a call, 402-416-4282. Our son Brian and his family live in Chandler so we get to the valley as often as we can, would love to get together and catch up. You and your family are in our prayers at this difficult time.

“ Lila was an example to me of what a great employee is or was. You could count on Lila to be engaged 100% in her job. Lila had the energy of the "energizing bunny with the Duracell batteries" she was always fully charged. Lila was a happy person and shared this joy with her co-workers. I remember when she and Dale were married and how happy they were. I'll never forget the doll that Dale gave Lila on their anniversary. This gift added fuel to my fire and I started collecting the dolls. Lila and I shared stories about what dolls we purchased.

The ASU Bookstore went to the Rose Bowl while Lila was the clothing buyer, and Lila was the happiest employee alive. She now had a reason that allowed her to work around the clock for at least 4 weeks.

I loved Lila and considered her a great friend. I will truly miss her sweet smile and her energy.

Dale know of my love and concern for you and your family. Please let me know if I can help in any way.

“ I picked up Lila from D/FW airport last fall and we went to join other friends for an enjoyable weekend with other MHS gals over in Rockwall, TX. We had such a great time visiting and running around Dallas it just doesn't seem possible that she's gone. I look at our group photo at Cowboy Stadium and recall that special gathering. Lila was such a fun person. We will really miss her if we go to New York. She really was eager to make that trip. We'll feel her spirit with us! You know how there are some people that you're always happy to see? That was Lila.

“ Lila was always on the move. You could hear her heels clicking down the hall. She never sat still. My heart and prayers go out to Dale and family. I will never forget Lila.
