“ I'm Gladys Propers great niece, Kim Kuester. Johnie Ohler was my grandmother. I always enjoyed talking with LilyMay at grandmas house when she would stop by. She was fun to visit with. I got to help her out a few times when she lived at 9 tribes. She always treated me very kind & we spent alot of time talking about our family member that had passed on or the ones LilyMay hadnt seen in several years. She sure had some wild stories at times!! Her family meant more to her than anything. Im sorry to hear of her passing. My thoughts & prayers are with all who knew & loved her
