“ To know Linda was to love Linda. I have known and loved her since birth. I remember her parents bringing her, as a baby and little girl, to see my mother and dad (her Grandparents). What a good time everyone had. When we all got older the thoughts of our relationship with Linda gave all beautiful memories. My parents always talked about Linda and how much she meant to them.

As Linda started her family, we lived far apart. However Tammy and Scott spent a lot of time at my house and we really enjoyed having them. Mark came into the picture much later but we are as close as possible now.

Tammy, Scott, and Mark you have our sincere sympathy .We know that Linda is in a better place, without pain, and with the Lord

“ *I am so sorry for your loss. I met Linda at the American Legion in Miami about 14 years ago and enjoyed playing poker with her. I didn't know how to play so she taught how and we would laugh when I would get a better hand. She was a joy to be around. I still miss poker nights with them all. Rest I pease Linda.*
