My heart goes out to the family, she was one of a kind awesome woman. I'm so sorry for your loss.

I have such great memories of Lois when I was younger in High School running around with Kent. Then later working with her at the sewing factory after High School. She was so ornery and fun. My kind of women. Later in life running in to her at a store, it was like we just picked up where we left off years before. Laughing, joking and having a great time in our short visits.
