“ To the family of Ms Sharp: I was in ah of her patience and kindness to everyone, just like Jesus whom she dearly loved. She always spoke well of others. It was such and honor to work with your Mother, she was truly an amazing lady. May Our Lord Jesus hold you tightly through this time. Wanda Hogan.

“ I am so sorry for the loss of Lona Faye. I did not know about her passing until it was to late to make it to the service. I would like for all the family to know that Lona Faye inspired my life in so many ways. She was the best teacher anyone could ever ask for. She truly loved her students and her job. Later when I worked at the Broasted Chicken she was always there to offer words of encouragement. She was a very beautiful person inside and out. So many times in the years that I have owned the child care business I have thought of her and how compassionate she always was to her students. I hoped that I could make an impression on the lives of the children in my care the way she did mine. She will be greatly missed.
