“ We were neighbors in the 60's and 70's. What a terrific lady!

“ Thoughts, prayers, and love for Lori's family near and far. She is held in God's grace and no longer suffering. I'm thankful that I was able to see Lori and spend some quality time visiting with her, although for a sad reason at Johanna's funeral 3 years ago. Peace be with you all.

“ I remember going to go visit grandma and grandpa in Emmet. (I loved that house!) I remember we had a little chicken coop and I would help get the eggs. I remember the little garden and having bbqs. I remember them buying me coloring books and toys. I remember when aunt sherry came down to visit and grandma made us strawberry short bread and we had a girls night. That was so much fun. I also loved going with grandma to the store down the street. And eating breakfast looking out the window with them. The last time I got to see her was after my graduation and that was so nice because its been forever. I wish I could have called more or visited more I love her and I loved her strawberry short cake! Haha I love you so much and you going to be missed!
