Jane lived in the same duplex building as I. She was a very creative and giving person. She really loved her dog, Wheezy. She loved to talk and I will miss her and our conversations while sitting on our porches. I was in California when she passed and was unable to attend her funeral. I will miss her.

*“ Jane had such a wonderful heart, so giving and compassionate. I couldn't have asked for a better sister-in-law. She knew that this earth wasn't her final home, so I know that she is now at peace and in her true home. My prayers are with all of this wonderful family.

“ Jane was my neighbor at the Woodlands. She liked to sit outside a lot enjoying the weather hot or cold. She was a nice lady who was so happy to be in her duplex where she could feel safe. She always hollered out a greeting to me whenever she would see me getting my mail. I worried about her after she got sick and hoped this day would not come as quick as it did. You can now rest in peace Jane with no pain or sickness. God Speed.
