“ Growing up we knew her as Pat. From living right down the road, to being in school with her grandson Luke, to vacation Bible school Mrs. Turner was always the sweetest and would be there for you no matter what. I can't count the endless times she made Christmas and valentines gifts for everyone in her likes class. All the times she would let us come over after such a hard day as an elementary schooler pat and bill never turned us away. Such a sweet soul that will be missed!
My deepest condolences,

“ She was such a sweet woman. She and Bill picked me up for Church every week. Ill never forget getting a card in the mail when I would miss Sunday school. Her calling to check on me when I had the chicken pox (I slept through childrens church the night before) all of her cute little crafts during vbs (although I was jealous of the boys and their birdhouses) hanging the greens at Christmas time and her getting to come to church camp with us. My heart and prayers go out to the family.
