PS

“ Mike and Paul. I was so sorry to hear about your Mom. I did not get word of the service until the day of the service and I was in Texas.

I also just heard about Randy. Blessings to you all.

Love, Pam

“ So many special memories of auntie louise. She was a wonderful person and I miss those days of cruising the dairy bar with momma and her. I wish comfort to mike and Paul and all her grand kids.
