“ *Allen, my condolences to you and your family. I knew Peggy briefly after I got out of the service and while I was finishing school at Pittsburg, between 1970 and 1973. I think she and I went to the movie together once. I always had the the highest respect for her and remember her as a cheerful, wonderful young lady. You were blessed to have her love and companionship all those years. I pray pretty regularly these days and I will remember you and your family when I do that! My best to you; I know you will miss her!*

“ *I'm so sorry to hear about the passing of Peggy. She was always so warm and inviting. She always had a smile on her face and was such a feisty lady. I'll always remember hearing her laugh at family reunions while playing cards with all the family. She will be greatly missed.*
