“ We love our granny so much! Nobody tougher and nobody sweeter! We're so thankful for the lifetime of memories we've shared with her and I know she's still with us every day. A great mother and grandmother, friend and sister- granny made everyone's life better for those lucky enough to have known her. I'm so thankful for the many years she's got to spend with her great grandchildren and the memories they'll carry of her for their lifetime. I'll never forget when I called to tell her she was having another great granddaughter and we we're naming her after her great grandma. ❤️ Truly special! What a great life she's lived and I can't wait to see and hug her again. And ain't no Mac & cheese ever been made that's better than my granny's!! I love you granny!

“ Margie was the best Mother-in-law anyone could have ever asked for. She loved me like a daughter. She was so kind to all people and never met a stranger. She was tough and could do anything she set her mind to. I will truly miss this wonderful lady I got to know and love for the past 45 years. I have so many great memories of all of our adventures with her. I love you Margie and I know you are dancing with the angels.
