“ Dear Friends... Seems like we spent most of our childhood together. My mind & heart are full of clear, fond memories, like all the time spent in the playhouse Wesley made, holding the baby bunnies he raised, playing store on your front porch, bingo w/corn markers, making beds, anything was fun. I loved being over at your house, which I was much of the time. Marie was fun to be with & always welcoming. I'm so glad we were such close neighbors in a great neighborhood..with the schoolyard to play on the slides & games. Marsha & I would meet each other “half-way” by counting the steps. Even tho most of it is no longer there, it all very much exists in my mind...including seeing “Grandma & Grandpa Barger sitting on their front porch & the lumberyard truck Wesley drove home for lunch. I'd love to sit & visit & recall it all with you & had always hoped to with Marie also. Wish I could be there with you in this time of loss & sadness, as you were for me when Dad passed. I love you all & am grateful for your dear mother, our Marie. 🙏❤️💕 Melissa Blevins Gruenig - far away at SF Bay

“ Marie was a good friend of my Mom, Bonnie Jean Brumley. I can remember me as a kid riding in the backseat as they talked and laughed. I believe They worked together and she went to ceramics with us. My Mom passed in 1983 so this was in the 60's-70's. I have Very fond memories of Marie. Hugs and blessings, Dee (Brumley) Turner

“ David and I was so sorry to hear Aunt Marie had passed. She was such a wonderful person. I have many memories of spending nights eating donuts and our parents playing Canasta and Rook! Our hearts and prayers go out to the whole family. Uncle Wesley and Aunt Marie are together now.

“ Wes & Janet,

Praying for you at this difficult time. I know you will miss you Mom dearly, but when you do also remember she is now in Heaven healed and whole. Remember all the good times you spent with her and a smile will come to your face. You will see her again.
