“ I will miss all the hugs and kisses my Marie gave to me. She was always looking for me, and would come to the kitchen just to watch activities going on there. It felt more like home to her. She had her favorite girls, and I was blessed to be one of them! Her sudden passing has made me feel that I have lost my mother all over again. Rest assured that Marie will always be carried in my heart, and will always remember her kind ways toward me. I pray for comfort for her family. God bless all of you in this tender hearted time of grief.##imported-begin##fawn haider##imported-end##
