“ Am so sad to learn of Joy's passing. From our first acquaintance in 7th grade to our continued friendship ever since. Rest in peace my friend. I guess God needed another angel and you will fit that role admirably.

Sending prayers to Larry and the girls. With love, Carole Daigneault Sklenar

“ Richard and I were sad to hear of Joy's passing. Even though we haven't been in touch for many years, we remember all the fun in high school. Joy was such a beautiful girl and woman. We were going through some of our wedding pictures and of course she was one of my bridesmaids. It's been 60 years since that wedding this October. She touched so many lives I'm sure and she will be missed by many. I'll never forget the prom dress she designed. Every time I see some actress with a one shoulder beautiful gown I think of that beautiful dress for our prom. Silly thing to remember, I suppose, but Joy was a talent. Our sympathies.
