“ *Mark was one of the most kind and gentle people I have ever known. He was always looking for a way to make others laugh, but his compassion shined right through the orneriness when it counted. We are sending warm hugs, prayers, and condolences to all of Mark's family. Love, Korey and Amber Marrett*

“ *Brianne, Mark was one of those people you couldn't help but like. He was funny and approachable. I never felt like he gave off anything but love for you and those girls. The last time I saw him I was actually so impressed by his Bluey Hawaiian shirt! He didn't care what everyone thought, and it was freakin adorable! I don't think there is anything anyone can say to ease your broken hearts; just know we are all here to try. Whatever has been, let it be...you were Jon's and are Jess's sister and you are loved. So very much loved.*

“ *From the day you were born and taking your mom to Springfield where they transferred you to and all the short jokes you told me. About how close I was to the cracks in the sidewalk and was I going to grow up. Those will be missed. Your smile, your interest in your Indian heritage and the love you had for your family was tremendous. You always said do not mess with my family. Family is everything. Bub we may not have seen each other a lot but when we were together love was there. Bub you will be missed by everyone. Love you Aunt Diana*
