Was honored to attend the service today and remember Mark as the kind person he always was. Mark's passing brought 4 friends together who had worked together at the hospital 20 years ago for a reunion today. We all have such fond memories of our interactions with him. God Bless.

“ First, I am devastated that Mark has left us. I hired him while I was advertising manager with the News-Record. I visited him a few times after I left Miami and every visit was wonderful. What everyone says about Mark is spot-on. He was a wonderful person and I am proud to call him "friend." I'm planning a trip back to Miami this spring and it won't be the same without getting to reminisce with him. God speed...Stan Wilson, Dodge City, Kansas

Yellow is only fitting because I always remember Mark driving around in that yellow truck with the Batman logo on the front. The place hasn't been the same without him around and that laugh. He was a cornerstone of the paper for so many years.
