“ *Such sad news... Marty and Vic were very important people to my parents when Marty and Dad worked at the Miami PD. They always had so much fun together! I remember being young and going to their house to play with their big dog. I want to say Malachi? It's been a very long time ago... but it's still sad to hear. My condolences to the whole family. Love and light. <3*

“ I was so completely blessed to have had the opportunity to know - and have fun with-Marty and Vickie. The laughter and good times live on in my memories. Vickie and Marty gave me a very special gift. Through their words, their actions and even their disagreements they showed me what true love really is. They both left an imprint on my life and I am so blessed to call both of them my friend. I am sorry that one of the best men I have ever known has left us. Heaven gained a true angel.
