“ I didn't know Mr Cantwell but have met his grandson, Brady, many times. I know he must've been a good man to have such a good and kind hearted grandson like Brady. The family will be in my prayers as you all go thru this difficult time.

“ Unfortunately I never met Mr. Cantwell, but I know he must have been an amazing man. His son fought for this country 🇺🇸, and his granddaughter, Karissa, is a professional, hard-working young woman and a devoted mother. That goodness must have, in part, come from this good man. Blessings and prayers to the family at this sad time. 🙏
