“ Fare well my Joe ,  
Fare well my friend, your leaving it's time for  
you to go. Your friendship was such a  
blessing and I will miss you so. We shared so  
many secrets, you brightened up my days.  
You brought me so much happiness with your kind and loving ways.  
You lifted me and my kids spirits when feeling blue. No matter what  
was happening you knew just what to say or do. We ran between  
the raindrops and walked beneath the sun. We ran the casino  
through the winter time and oh, we had fun so much fun in the  
summer time. Though all the ups and downs of life the good and  
sad, from the blessed days to the golden years your the best friend I  
ever had. God is here to take you home , now you and I must part  
I love you now and forever you will live within my heart  
Love you Joe till we meet again Shana Tatum
