“ Marvin is a great friend as well as my brother-in-law who is going to be missed so very much on this earth but I know that we will see him again when our maker calls us home someday. Marvin and I had some wonderful times fishing together when we could get together for a visit. I am going to miss you.

“*My Uncle Marvin was such a wonderful person who always showed me through his actions how much he cared for his family and set a shining example of how to lead an honorable life.*

He was wonderfully supportive, coming to many of my school activities, my high school graduation, and my wedding. He always made sure I could attend church camps or activities with my cousin Dana every chance I could growing up. He always was supportive of my parents and brother throughout our lives. He always had a smile on his face and shared his infectious laughter with everyone. He was kind to others, a dedicated husband and father (and now grandfather), and a man who always acted with integrity.

I miss him dearly already. I will miss his funny fishing stories, his laugh, his gentle voice saying grace at family suppers, and so many other things about him. I am lucky to have known him and hope I can live up to his fine example in my own life.

May you rest in peace Uncle Marvin as I know you have gone to your great reward and are with God. I hope Heaven has a great fishing pond, wonderful views of the football games, and a big family table for when we are all together again some day! I love you!

ALWAYS READY TO HELP WITH ANY QUESTIONS OR
PROBLEMS. I COULD ALWAYS TELL HOW IMPORTANT HIS
FAMILY WAS TO HIM. HE WAS DEDICATED TO TAKING CARE
OF THEM. MARVINS LIFE ON THIS EARTH HAS LEFT US ALL
WITH GOOD MEMORIES THAT WILL LAST UNTIL WE SEE HIM

“ *Deborah Fabian*

Marvin is my older and only sibling. He had many names, ie. June, Jr, Marvin Jr, Skip, and Brother.

As children, we played many indoor and outdoor games together. When one of us had a childhood illness, the other one played indoor games to help the ill one feel better.

I never recall a serious disagreement. I think sometimes in childhood arguments he gave me the impression I had won, but not really. After all, I was his little sister.

Marvin Jr. was always there for our parents and my family. I always knew I could call him and discuss anything.

He loved Jenny, Dana, Alicia and Ella with all his heart. He supported them in every endeavor. Their family had a strong foundation because of his and Jenny's guidance together.

My brother was a considerate, fair and spiritual man, and as a result the world is a better place. His calm demeanor was known to all.

He will be forever in our hearts. I am missing him terribly.

Forever your loving sister. I Love You !!!

“ I found this pic of me and my uncle. I was coming home from Portland for Christmas. He met us in Tulsa to have dinner. I don't make it home very often but Uncle June was always trying to see me when I came home. I called him uncle June, I'm assuming because he was a junior. I must of started that at a young age. He came to my high school graduation, and numerous college football games, even the ones that were raining cats and dogs. He sat through that to watch me play. Uncle June you will truly be missed. There really are no words. Breaks my heart. My condolences to my aunt and cousins, as well as my grandparents and mom.

“ *It was my privilege to serve our wonderful Lord with Marvin. He was a Deacon at Immanuel Baptist Church when I was pastor. We had many wonderful service opportunities together. He was a good man and loved his Lord and his family greatly. He will be sorely missed. I pray God's comfort for his precious family. I regret that I will not be able to attend his memorial service but will be praying.*

I worked with Marvin thru Westco for 26 years, where I was a store manager. Marvin and I became great friends . We hunted and fished together and even went on a fishing trip to Canada ,which was a highlight for both of us! There was not a finer person than Marvin! God Bless his family from Patty, myself and my 3 kids who have all worked with him over the years. We will always have great memories of the time we got to spend with my friend. Dave Myers
