“ My condolences to family and friends.
I am so saddened! Mary Lou and I have been friends since we were 9yrs old. I would ride my bike long way so we could play jacks on her patio, besides horsing around at school. We kept each other company when our spouse were gone in the military. We were both still in hi school when we married. I learned to drive in Jim's Mercury or Ford coupe. We began our families and kinda' drifted apart then she moved out of state. I spent a lot time with her at our 3 day 50th hi school reunion, and "chatted" with her on fb. We had some great times Mary Lou....RIP dear friend. Great photo!
