“ My Aunt Mary was truly my favorite aunt. I remember stopping in with her and Uncle Jake (and the cats) in 1982, mid-way through a drive from California to Indiana. We stayed up half the night talking. Over the last several years I tried to stop each time I drove through on my way to visit my parents in McAlester. My children also loved these short stops to chat with Aunt Mary. She'd always send us on our way quickly, worried about the length of the drive from Miami to McAlester. If she'd let me, I took a quick photograph of Aunt Mary to show to my mom. I treasure those photographs now. I'll miss bringing her chocolate (and Russell Stover will miss the massive purchases I made) on each trip. God bless you, Aunt Mary.

“ Mary is a sweet and kind woman. She has a great sense of humor and has the biggest heart. I say "is" because she has only moved on. Her soul is very much alive! I am grateful to her for the beautiful spirit she shared with me and my family.
