“ *We just received "The American" newspaper and were saddened to learn of the demise of Elizabeth. She was a loving, class lady and always had good things to say to everyone she met. We were class mates at AHS along with about thirty five others graduating in 1942. We have many good memories of her visiting us at our lake condo on Grand Lake. We extend our most sincere sympathies to her extended family.*

“ I want to let you know the sympathy I feel for the Victor family. I only saw Mrs Victor a time or two, but heard many great things about her. I know she was highly respected in the Afton Community and will be missed by many there. Also, I know how much she was loved by her family and she and Mr Victor did a great job raising their children. This is shown by all her wonderful Grandchildren and Great Grandchildren. There will be a big void in your family, but what a wonderful feeling to know where she is now, what a rejoicing there will be when we all get to Heaven. God bless all of you and keep all of her great memories close to your heart.

*Love and Hugs*
