“ *I keep picturing you saying “ken you not” every time I start crying again. To know you was to love you. I’m so grateful to have all our memories together. Thank you for being one of the most incredible best friends a girl could ask for, I truly wouldn’t be here today without you. I love you so much!*

“ Words can't express the loss I feel. And that just goes to show how much you touched our lives. I know you never liked getting mushy so I won't get mushy but I know you're shaking your head at everyone crying and missing you. One of them is me bud. I miss you and love you, Lisser.

“ *I am flooded with memories of Lissa as a baby. Kimmie always had trouble getting Lissa to sleep. I could always swoop in and get her to sleep. Kimmie used to call me Auntie Sandman. Lissa I love you so very much. I know you are with mom now. Until we meet again. Much love.*
